GENERAL TRIBUTE IS PAID CARDINAL

State and City Provide for
Suspension of Activities
at Funeral Time.

By the Associated Press.

BALTIMORE, Md., March 30.—Members of the Catholic laity filed the cathedral to overflowing this morning at the last of the special requiem masses preceding the funeral service tomorrow for Cardinal Gibbons, whose death occurred last Thursday. Bishop O. B. Corrigan, vicar general of the diocese, was the celebrant, assisted by members of the local priesthood. The music was sung by the cathedral choir.

At the end of the mass the congregation filed slowly past the bier for a last look at the features of the cardinal, and the long line of men, women and children which had gathered in the street meanwhile streamed into the edifice in procession which will continue all day. It is estimated that between 25,000 and 30,000 persons viewed the body of the prelate yesterday during the twelve hours it was exposed to public view.

Office for Dead Tonight.
The office for the dead will be held at the cathedral tonight by the seminarians of St. Mary's College, here, and the diocesan clergy. Bishop Corrigan presiding.

Gov. Ritchie gave the final touch to the plan for a general tribute to the cardinal when he issued an official proclamation yesterday calling upon the people of Maryland to suspend all activities at 10 o'clock tomorrow morning, the hour of the funeral, and offer a prayer of gratitude for the example of Cardinal Gibbons' life. In Baltimore, the mayor and city council have proclaimed a five-minute period of suspension.

U. S. Envoy's Cablegram.
The following cablegram was received from the American ambassador to Italy:

"Reverence to Cardinal Gibbons, who illustrated the greatness of goodness."

"Robert Underwood Johnson."

SHIP BOARD TO MOVE.

Will Begin to Vacate F Street
Offices After April 1.

Work of moving the United States Shipping Board offices, now located at 1217-19 F street, to the new Navy building, at 17th and B streets, will begin shortly after April 1, it was learned today.

The entire office of the board, now in a leased building at the F street address, will be housed in the Navy building, and it is expected that ultimately the controller's division and certain divisions now located at 6th and B streets, will also be moved to the Navy building. The moving of the Shipping Board offices will save a large amount of money to the government, paid out each year in the form of rental for the quarters on F street.

RADIO TO SIGNAL STORMS.

Shipping Board Plans Warnings to
Mariners by Wireless.

Storm warnings by wireless are to be received by American mariners under arrangements perfected by the Shipping Board with most of the high-power radio stations in various countries.

Managing agents and masters of Shipping Board vessels were notified yesterday by Capt. Paul Foley, director of operations of the board, that the warnings would go broadcast on schedules furnished by the ships' radio operators. Because of the number of vessels still on the seas without radio equipment, he said, the warnings are to be passed on from ships receiving them by other means when such vessels are sighted.

BURY ADMIRAL TODAY.

Services for David Kindelberger,
Retired, This Afternoon.

Funeral services for Rear Admiral David Kindelberger, U. S. N., retired, who died Friday in New York city, are being held this afternoon, beginning at 3 o'clock, in the chapel of Oak Hill cemetery. Interment will be in that cemetery.

Rear Admiral Kindelberger was a former resident of Washington and had a wide acquaintance here. He was eighty-seven years old. Entering the naval service in 1879, he was advanced through the various grades to medical director, with the commission of captain. He was retired in 1896 upon reaching the age limit.

He is survived by his widow, Mrs. Olivia Kindelberger, and three sons.

SOLOIST AT WEEKLY "SING."

Mrs. Beulah Harper Dunwoody, contralto soloist of the First Congregational Church, is to be the soloist at the regular program of the weekly "sing" of the finance division of the War Department, at the Nations building, at 4:30 o'clock this afternoon. Mrs. Dunwoody will sing a Scottish song cycle, "Sprays of Heather," by Parks.

CALL SOUTHERN BANKERS TO TAKE UP CROP ISSUE

War Finance Corporation to Hold
Conference Here on
April 4.

Problems confronting agricultural interests of the south, especially the cotton growers, were believed today to have been brought one step nearer solution by the War Finance Corporation in calling a conference of southern bankers here on April 4 to discuss methods for financing the exportation of southern crops.

The call followed consideration of agricultural problems by the cabinet yesterday, and was looked upon as the first definite step of the new administration in working out a comprehensive plan of farmer relief which it is understood soon will be put forward.

Officials of the War Finance Corporation will explain to the southern bankers, it was said, to what extent the federal aid may be extended in financing crop exports and it also probably will be made clear what the Treasury's policy is with regard to exports to Germany.

While administration plans were understood to concern a series of conferences with agricultural interests from all sections of the country, it was understood that in the cabinet discussion yesterday cotton interests were favored for first consideration.

Reward

Do you know this man?

Height: 6 ft. 1 inch Face: Thin
Weight: 145 lbs. Features: Prominent

DESCRIPTION: When last seen was on his way to hospital. Used to weigh 165, had ruddy complexion, good appetite and enthusiasm for work. Six months ago began to have irregular bowel movements. Took pills. Lost weight—still irregular. Took salts—violent results. Had medical examination; doctor diagnosed case as self-poisoning, due to clogged, decaying food waste in large intestine; said pills and purges had weakened the intestinal muscles so they could not function. Man protested violently that he was not sick. Doctor replied that he had been sick since first bowel irregularity. Prescribed complete rest and the Nujol treatment. Said if he had cultivated regular habits with Nujol he would have had no trouble.

REWARD: For restoration of this man to regularity. Nature offers reward of health, and return to normal weight and keenness. If you are the man apply at the nearest drug store for one bottle of

Nujol For Constipation

Nujol works on an entirely new principle. Instead of forcing or irritating the system, it simply softens the food waste. This enables the many tiny muscles in the walls of the intestines, contracting and expanding in their normal way, to squeeze the food waste along so that it passes naturally out of the system.

Nujol thus prevents constipation because it helps Nature maintain easy, thorough bowel evacuation at regular intervals—the healthiest habit in the world.

Nujol is absolutely harmless and pleasant to take. Try it. Nujol is sold by all druggists in sealed bottles only, bearing Nujol Trade Mark. Write Nujol Laboratories, Standard Oil Co., (New Jersey), 50 Broadway, New York, for booklet "Thirty Feet of Danger."
